Dear Chief Roberts,

Huffmaster Companies would like to take this opportunity to thank your department for their quick response and actions to our office located at 1300 Combermere on Thursday, April 7, 2016 at 2143hrs. Fortunately, the damage was contained primarily to a first floor restroom. Smoke spread throughout much of the first floor, however, your firefighters were able to remove most of it using fans.

Huffmaster Company appreciates the Troy Fire Department and the service you provide to citizens and business owners. May you and your staff remain safe.

Sincerely,
