Chief Craft,

I would like to extend my heart-felt thanks for the assistance provided recently by your department.

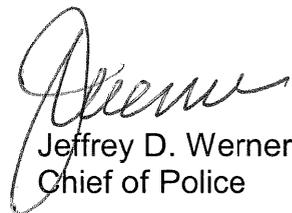

In the early morning hours of July 23, 2005 three suspects committed numerous felonies during a home invasion in the Village of Beverly Hills. After the suspects were observed they led officers on a high-speed vehicular pursuit which ended up in a fatal accident in Bloomfield Township.

Two dangerous suspects were at large in Bloomfield Township. Due to a team effort involving numerous police agencies, the suspects were arrested without any injury to area citizens.

I would like to thank your entire department for their assistance in this endeavor. I would specifically ask you to thank Officer Ray Piper, Officer David Isham, and K9 Officer Ed Klute who responded to assist in this incident. Their efforts contributed to the successful apprehension of the suspects.
