

Troy Police Officers:
A week ago, I had
the unhappy occasion

to call twice for assistance:

- (1) Early A.M., 8/31/16
home alarm activated.
- (2) Friday, evening,
9/2/16 neighbor's side-
door open.

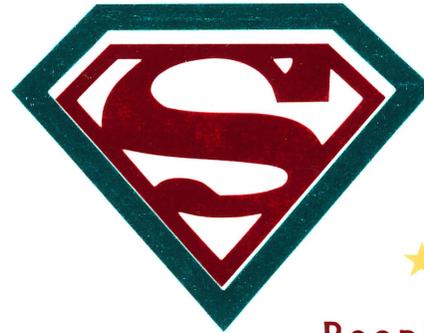

Thank you for all
you do. A special
thanks for the
professionalism,
compassion and
consideration of the
officers who arrived.
