

Dear Troy Police Dept,

July 30th was our 2nd annual "Motorcycles for Ministers" fundraiser ride. Thanks to you and our sponsors it was a great success. We were able to raise over \$7000 to purchase motorbikes for the pastors reaching the Pokot tribe in western Kenya. These pastors would walk for many days through the desert in outreach ministry to new villages. Having been there myself, and seeing the conditions myself, I can tell you the need is overwhelming, and your support is greatly appreciated.

Once again the Troy Police Dept. was crucial to our success. Officer Garcher did a fantastic job leading the ride. It was awesome to have him back.

Thanks again,
