Dear Chief Craft:

I would like to acknowledge the professionalism shown by members of your department in the above-captioned case. The defendant was found guilty of second-degree murder and was sentenced to 25-40 years on August 30, 2005.

The diligence of Officers Villerot, Schultz, Garcher, Owczarak, Morgan and Stansbury and Sergeant Redmond during the course of the investigation and trial was a credit to the law enforcement community.

I look forward to working with members of your department in the future.

Sincerely,

DAVID G. GORCYCA
