Subject: Again, thanks!

After all was said and done last night, I drive home 8 of our members to their apartments in Somerset Park. Their comments about the evening were incredible. To say they enjoyed themselves is a really an understatement. THANK YOU AGAIN for helping to make this happen!

Although, we may have helped create somewhat of a monster because now they're talking about challenging TFD to a bowling competition!

You helped put a lot of smiles on a lot of faces! Check out the attached file. I believe this is the first time she's crossed home plate to score a run! Before last season, she had never played softball. Priceless!
