Subject: Apparatus Display

Chief Roberts

I would like to thank you for contributing to the success of our apparatus display on October 7th. This event allows us (collectively as the fire service) to reach our public and educate them on fire safety in their homes and dazzle them with our big trucks.

Your personnel represented your department very proudly and we look forward to another successful event next year.

Everything that gets wet eventually dries out, nothing un-burns.
Fire safety is in your hands.
