Dear City Council,

I wanted to take a minute to share a compliment about Bill Huotari. During the month of August, I was trying to get a stop sign at a dangerous intersection in my subdivision. I called City Hall and talked to Bill. Bill started the process by ordering a study of the area. He was so professional, and explained the process to me step by step. From going to the Traffic Committee meeting and the City Council meeting, everything went exactly as Bill said it would.

Thanks to Bill, I was able to work with 'City Hall' to make my neighborhood safer. I have told all my neighbors and friends about Bill and how he made this process so 'resident friendly'.

I just wanted to let you know that Bill Huotari is an asset to the city and residents of Troy.

Thank You,

Darrin Millar
