

Memorandum

Subject: Ethnic Issues Advisory Board Appointments

The Ethnic Issues Advisory Board Appointment resolution indicated appointing members to either a two-year or three-year term. The initial appointments did not refer to the term length of the appointed members and therefore all were given the three-year term designation.

As a measure to stagger terms, it is recommended that the two-year and three-year staggering provision be implemented with these appointments. Due to the active motion before Council reference being tied to the agenda showing a three-year-term designation, this can be accomplished by making the remaining appointments to two-year terms.

Should Council desire to re-appoint any of the members to a two-year term, a substitute amendment to change the term lengths of the re-appointments would be required.
