Ms. Ann Lemke & Ms. Cindy Stewart
City of Troy
500 West Big Beaver Road
Troy, MI 48083

Dear Ms. Lemke, Ms. Stewart, City of Troy Employees & Residents:

Thank you for your generous donation of toys, cleaning supplies, diapers, baby wipes, and even a high chair in recognition of Child Abuse Awareness & Prevention Month! Our clients and their families will be thrilled to receive these which will help them with their most basic needs and provide hours of enjoyment for the children! CARE House relies on the generosity of people in the community to ensure that we can continue to offer first-rate services at no cost to our clients. As a key member of the CARE House family, you have played a vital part in the health and well-being of some of the most vulnerable children and families of Oakland County.

Over the past several years, you have been a fundamental part of CARE House's growth and development. It is no exaggeration to say that, without your support, CARE House's ability to serve its clients would be greatly diminished. Because of your continued support, as the number of children and families coming to CARE House continues to grow, we will continue to meet their needs with excellence and sensitivity.

You are truly a tireless advocate for children, and all who come to CARE House—staff, volunteers, and clients—are incredibly grateful for your continued support. I thank you again for continuing to believe that it shouldn't hurt to be a child, and I look forward to hearing from you in the future.

Sincerely,

Blythe Spitsbergen
Executive Director

*Thank you
