## CITY COUNCIL AGENDA ITEM

Date: May 15, 2017

To: Brian Kischnick, City Manager

From: MaryBeth Murz, Purchasing Manager  
Kurt Bovensiep, Public Works Director  
Paul Trosper, Water & Sewer Operations Manager

Subject: Standard Purchasing Resolution 2 - Low Bidders Meeting Specifications – Water System Materials

---

### History

The Water and Sewer Division is responsible for new water service installations and maintenance, water main repairs and replacement, and Mueller hydrant repairs and replacement. To maintain these infrastructures, minimum quantities of parts are kept on hand. Water system materials will be purchased on an as needed basis to replenish inventories throughout the year at unit prices as specified and detailed in the bid tab.

### Purchasing

On April 20, 2017, a bid opening was conducted as required by the City Charter/Code for one (1) year requirements of water system materials. The bid was posted on the Michigan Intergovernmental Trade Network (MITN) website; [www.mitn.info](http://www.mitn.info). Four (4) bids were received.

**MITN** provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

**Active MITN** members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

**Active MITN non-paying members** are responsible to monitor and check the MITN website for opportunities to do business with the City.

**Inactive MITN member** status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

The bid pricing was analyzed by line item. Based on bid results it is recommended to award the bid low bid as specified by line item.

### Financial

Funds are available in the operating budgets of the Public Works Water and Sewer Division.
