Hello,

I wanted to get a message to the Chief of Police in Troy, Gary Mayer, and tell him that I had a great encounter with two of his officers, Brian and Alex, last evening about 5:30pm in the Kroger parking lot on Coolidge near Maple.

They took the time to explain my right of way at a cross street when there is oncoming traffic. They were very friendly. I wanted them to know and you as well that we stand behind the police force especially with all the media and their extreme and wrong coverage.

I am a Royal Oak resident and am making sure I speak to all officers when possible and let them know we are behind them. Thank you. Sorry I do not know their last name.

Regards

Cheryl

POLICE OFFICERS ALEX FARRA + BRIAN JONES-

THANK YOU BOTH FOR MAKING SUCH A GOOD  
IMPRESSION ON MS. BEISEL.

Gary
