RE: **Agenda Item** – Standard Purchasing Resolution 3: Exercise  
Renewal Option – Volunteer Firefighter Uniforms –

**RECOMMENDATION**

On September 22, 2003, City Council approved a two-year contract to purchase volunteer firefighter uniforms with an option to renew for two one (1)-year periods with the low bidders, Metropolitan Uniform and Allie Brothers Inc. {Corrected Resolution #2003-09-467-E4}. City management recommends exercising the option to renew for one (1)-year under the same prices, terms and conditions for an estimated cost of \$12,000.00, to expire September 8, 2006.

Both vendors have agreed to exercise the first one-year option to renew at unit prices contained in the attached bid tabulation dated 6/19/03.

**MARKET SURVEY**

The Purchasing Department has conducted a market survey and concurs with the recommendation to exercise the option to renew, as market conditions remain stable.

**BUDGET**

Funds are available for these purchases in the Fire Department Uniform Account, #340.7768.

RE: MARKET SURVEY – FIRE UNIFORMS

HARWOOD UNIFORM – Ron Clarke (248) 681-2300

Ron has indicated the regular uniforms for the Fire Department that have been bought in the past will remain the same in price. But some of the Unions, Cities and Townships are changing their specification on Fire uniforms to a uniform made with a new material called Fireware. The cost increase of this new uniform will be 50% to 60% over the regular uniform, but safety is the key. The material is fire retardant and will burn itself out, before the fire can even start.

EXCELLENT POLICE EQUIPMENT – Stanley Muszynski Sr. (586) 254-1688

According to Stanley, uniform prices are not expected to increase, but the manufacturer of the materials have increased their cost by .50 cents per pants, which is small. As to any new fabric or materials, he is not aware of any at this time.

Based upon the above comments, I respectfully recommend that the City accept the offer to renew the contract for Fire Uniforms to the current vendor based on the fact the market remains stable and no change in fabric specification is currently planned.

SUBJECT: Standard Purchasing Resolution 1: Award to Low Bidders –  
Volunteer Firefighter Uniforms

### **RECOMMENDATION**

On June 19, 2003, bids were received from four (4) bidders to provide two-year requirements of uniforms for the volunteer firefighter staff with an option to renew for two-one year periods. The Fire Department recommends a contract be awarded to the two lowest bidders, **Metropolitan Uniform Co., Inc., 3144 W. 12 Mile Road Berkley, MI 48072** and **Allie Brothers, Inc., 20295 Middlebelt, Livonia, MI 48152** at an estimated total cost of \$12,000.00 per year. Unit prices are contained in the attached bid tabulation opened June 19, 2003.

### **SUMMARY**

While Allie Brothers had the lowest total bid by \$143.42 over the second low bidder, Metropolitan Uniform, cost was not the only criteria in recommending a dual award. In addition, the evaluation committee determined the facilities needed to be conveniently located and adequately stock with merchandise. Offering more than one location would make purchasing easier for the volunteers and an efficient use of City resources.

### **BUDGET**

Funds are available for these uniforms in the Fire Department Operating Account 340.7768.
