Dear Mayor Schilling:

I am pleased to offer my congratulations to you and your community for receiving Tree City, USA Recognition by the USDA Forest Service and the National Arbor Day Foundation.

Your support of forestry programs, natural resource preservation, and local recreation has made your city an excellent choice for this designation. You can be proud of your efforts to improve the environment for your residents, and I commend your community's commitment.

Once again, congratulations on being honored and best wishes.

Sincerely

Carl Levin
