

CITY COUNCIL ACTION REPORT

March 25, 2008

TO: Phillip L. Nelson, City Manager

FROM: Brian P. Murphy, Assistant City Manager/Economic Development Services
Susan A. Leirstein, Purchasing Director
Timothy L. Richnak, Public Works Director

SUBJECT: Standard Purchasing Resolution 1: – Award To Low Bidders – Hauling/Disposal of Dirt and Debris

Background

- On March 17, 2008, bid proposals were received for one-year requirements of Hauling/Disposal of Dirt and Debris with an option to renew for one additional year.
- 78 vendors were notified via the MITN system with eight (8) bid responses and one statement of no bid received. In addition, one (1) bid was submitted that could not be considered for a different solicitation, which opened the previous week.
- Each item on the proposal was considered as a separate bid; and recommendations made to the lowest responsible bidders for each item.

Financial Considerations

- Funds are available in the 2008 Operating Budgets for the Streets and Water departments.

Legal Considerations

- ITB-COT 08-08, Hauling/Disposal of Dirt and Debris was competitively bid as required by City Charter and Code.
- The awards are contingent upon contractors' submission of proper insurance certificates and all other specified requirements.

Policy Considerations

- All bidders were given the opportunity to respond with their level of interest in providing hauling/disposal services for the City of Troy. (Goal II)

Options

- City management recommends awarding contracts on an item by item basis to the three low bidders.

Recommended Vendors	Item / Description	Price/Ton
Anglin Civil - Novi	A). Disposal of Broken Concrete with & without wire, possibly mixed	\$3.75
