Dear Carol,

On behalf of the **Boys & Girls Club of Troy** Board of Directors, Staff, and Club members, thank you for your contribution of \$481.67 from the "Casual for a Cause" Event.

Because of community support like yours, we are able to offer programs in five core areas: *Education & Career Development, Character & Leadership, Arts & Crafts, Health & Life Skills, and Sport, Fitness, & Recreation.* Through programs like these, the **Boys & Girls Club of Troy** is able to instill in members a sense of competence, usefulness, empowerment, and belonging, enabling them to become caring, responsible citizens.

We are grateful for your commitment to community non-profits, like the **Boys & Girls Club**. You are making a difference in kids' lives.

Sincerely,

Steve Toth
