Dear Friends:

Thank you for your generous employee Casual for a Cause donation of \$403.67 to CARE House of Oakland County, received on 2/8/2008. We are so grateful for your continued support. Your generosity makes a difference. Your gift will be used to support programs designed to help children who come to us after suffering sexual and physical abuse, and for prevention programs.

Our mission is to be an advocate for the safety of Oakland County children and to be a leading resource in the prevention of child abuse and the protection of children through education, intervention and treatment programs. Thank you for your part in making that mission possible.

We applaud and thank you for caring about the children who need us all.

Sincerely,

Patricia Rosen
