City of Troy
Police Investigation
500 West Big Beaver
Troy, MI 48084

Lieutenant Frye,

I am pleased to advise you that direct and firm action taken by Detective Sergeant Barry Whiteside has alleviated an untenable situation that I was experiencing. The following three police reports document the situations that had occurred: 07-46550, 08-375, and 08-894.

These events occurred soon after a new tenant occupied apartment #105 in the Somerset complex at 2927, Dorchester, Troy, MI, directly across the hall from my apartment. In response to the above reports, Detective Sergeant Whiteside initiated positive actions in my behalf. Subsequently, no further actions of the kind reported have occurred. Recently I contacted Somerset management and was advised that the tenant in #105 had moved.

I commend Detective Sergeant Whiteside for his effective action, dedication to duty, and professionalism. I am proud that the City of Troy has this person protecting us and our property.

Sincerely,

Virginia Bertram
