Attached is Chief Craft's answer to Council Member Martin Howrylak's question about the contribution to Avondale Youth Assistance.

~Mary

**Regarding the Avondale Youth Assistance agreement, is the amount of \$6,000 consistent with previous years? Is it consistent with our approved 2007-08 budget? Why did the amount increase from \$2,210 between November and now? Could you please provide more backup to address this item?**

We increased the contribution to AYA in the 2007/08 budget as they supplied information regarding the number of Troy residents they served. The increase was approved by City Council. Our request for payment to AYA did not reflect that increase and we are correcting that error through this action.
