Dear Troy Police Department,

I wanted to take this opportunity to thank you for the wonderful presentation given by the Troy Police Department at our annual family picnic held on June 25th. Your Police Officers that came to our picnic showed our kids a Troy Police Department Car. The officers showed the kids all the features and they got to sit in the squad car pretending to be an officer.

The visit from the Troy Police Department was definitely a highlight of the picnic! The officers were exceptionally helpful and friendly to all of us. The parents were all very impressed with the professionalism and generosity of the police department in loaning one of its cars and officers for the afternoon.

Thank you so much for your gift of time and community spirit!

Sincerely,
Jennifer M. Snook
