Troy Police Department

Troy, MI 48084

ARUP

Dear Detective Reynolds,

On behalf of Jim Hadden and our small group of engineers, I would like to thank you for taking the time to visit with us.

We very much enjoyed your presentation on Identity Theft. It made each one of us more aware of how vulnerable we are to the schemes of criminals and how we can protect ourselves. Hopefully, as a result we will be careful to safeguard ourselves from becoming their victims.

I also enjoyed learning a little about your background with the Troy Police Department. I can understand why you find your job so satisfying. Continue your fine work.

Yours sincerely
