Dear Terry and Friends:

Thank you for your generous donation of 20 age appropriate backpacks filled with personal care items to CARE House of Oakland County. How wonderful that you thought of us.

Our mission is to be a leading resource in the prevention of child abuse and neglect, and the protection of children through advocacy, education, intervention, research and treatment in collaboration with the community. Thank you for your part in making that mission possible.

Thank you for caring about the children who need us all.

Sincerely,

  
Carol Furlong
