Subject: Today's Senior Fraud Seminar.....It was excellent

Hi

I attended today's Senior Fraud Seminar and want to thank you personally for allowing such an informative and useful program to be offered by the Troy Police Department.

Yes, I am a Troy senior citizen with concerns about my safety and the fraud schemes that may be directed at me and my family.

The presentation covered many areas in a very lively, interesting and informative fashion. I was aware of some, but not all of the topics discussed.

I learned some things today that may help me in the future.

I am a faithful reader of the Troy Crime Alert, which keeps me informed of the bad stuff that is happening in Troy. The bad stuff includes some of the scams and safety issues that were discussed today by your three Officers. The two hours flew by. I wish the seminar could have lasted for four hours, since I'm sure there was many more topics that could have been covered.

I am proud to have such fine people on the TROY POLICE FORCE.

I wish you could give them a raise.

Sgt. Andrew Breidenich
Police Officer Bill Malik

THANKS TO BOTH OF YOU FOR REPRESENTING TROY PD SO WELL AND HELPING OUR SENIOR CITIZENS STAY SAFE AND AVOID BECOMING VICTIMS.
