Officer Allan  
Troy Police Department  
500 West Big Beaver Road  
Troy, MI 48084

Officer Allan,

I wish to thank you for allowing me to ride along with you on Friday evening the 12<sup>th</sup> of April.

The amount of knowledge you shared with me was more than you can imagine. The perspective from an officer's point of view shed a whole new light for me regarding your activities.

My insight of your profession, as a by-stander, was much different than seeing a perspective from your standpoint. You do indeed need to be vigilant and in control of situations at all times. I did not expect your level of alertness even during our lunch break; but, now, I certainly do understand.

Your professionalism in dealing with the many varied situations was consistent for the environment and type of circumstance. Please thank each of your brethren we encountered that evening as they were also just as professional. I did not anticipate how busy we would be that evening.

Again, please accept my "THANK YOU" for tutoring me in the critical job you do every day.

You can count on my support when talking with others regarding the importance and professionalism in the services that you and the rest of the Troy Police Department provide for our community.

Sincerely,

*Lennie Wilson*
