Dear Ms. Morrison,

Enclosed are two \$100 gift certificates to the Capital Grill that we wish to donate to the Troy Community Coalition for October's Celebrity Night Dinner. This donation is being made in honor of Sgt. Andy Breidenich of the Troy Police Department for outstanding service to the business community of Troy, Michigan.

We were honored to recently have Sgt. Breidenich conduct a series of safety and security training sessions for our employees at the Kelly Services Corporate Headquarters in Troy. The training was exceedingly well received, and Sgt. Breidenich got rave reviews! He is truly an asset to the Troy Police Department and the Troy community at large. Not only is he knowledgeable and highly competent in his duties, he has impeccable ethics, is extremely personable, and his sense of humor was definitely enjoyed and appreciated.

It was Sgt. Breidenich's request that these gift certificates be directed to the Troy Coalition. We sincerely hope the proceeds will benefit your mission.

Best regards,
