Especially made for you from
Hannah Mae Russ

Officer Andy,

I just wanted to thank you for taking the time with me and my family to help me earn my petal for Daisy scouts. I greatly appreciate the tour and the time you took to talk with me and my family and answer any and all of our questions. It was very interesting and we learned a lot. It was great to meet you and you were the first police officer I have ever met! and the nicest too! Thank you again and thank you for all the special and brave work you do for all the kids and moms and dads out there! We appreciate it!

Love, Hannah Mae Russ
