**Subject:** Rally for the Cure golf outing

Dear Carol,

On August 18, I sponsored a Rally for the Cure golf outing to raise awareness and money for breast cancer research. Jake and Aaron assisted me in planning and carrying out the outing and they did an outstanding job!!! They were friendly, eager to help wherever necessary, and fun to work with. Our group of 36 had a shotgun start and all the women (and two men) loved the course and thoroughly enjoyed the whole day. When we arrived at 7:15 am, the carts were ready, names on the carts . . . and Jake unloaded all the clubs and placed them on the carts for us. We plan another outing next year and will use Sanctuary Lakes again. Our smaller group of retired school teachers play there every Wednesday. Please let Jake and Aaron know that we truly appreciated their help and concern. They are to be commended. Sandy Kush
