Re: Letter of Appreciation – Outstanding Service – John Julian

Dear Chief Mayer,

I would like to take an opportunity to personally thank you and your exceptional group of officers. In particular, John Julian who provided personal, attentive and very thoughtful care and service to me and my young grand-daughter during a recent event for The Somerset Collection's new Microsoft Store opening concert with Kelly Clarkson.

It is rare in today's increasingly fast-paced times, that one person would go above and beyond to help another and this officer truly deserves my thanks and gratitude for doing so. I appreciated his efforts very much and wanted not only to thank him for being so gracious, but to also let you know what a fine officer he is.

Very kind regards,

Lynda Newman
