

## CITY COUNCIL ACTION REPORT

October 13, 2008

TO: Phillip L. Nelson, City Manager

FROM: John M. Lamerato, Assistant City Manager/Finance and Administration  
Carol K. Anderson, Parks and Recreation Director

SUBJECT: William Beaumont Hospital Parking Agreement

### Background:

- On November 13, 2006 the City of Troy and William Beaumont Hospital entered into an agreement to allow use of the Flynn Park roadway by hospital personnel. The agreement prohibited parking on City property.
- November 12, 2007 (Resolution 2007-11-318) an addendum to the agreement was approved which allowed the temporary use of a portion of Flynn Park for parking.
- William Beaumont Hospital has requested continued use of a portion of Flynn Park for parking.
- The addendum attached to this memo addresses the request.
- This addendum allows a portion of Flynn Park to be used for as long as the roadway agreement is in place.

### Financial Considerations:

- Approval of the addendum will result in additional revenues of \$5,000/annually for park improvements.

### Legal Considerations:

- The addendum contained herein addresses all legal considerations negotiated by both parties.

### Policy Considerations:

- This item is consistent with goal III.

### Options:

- City management recommends approval of the addendum for use of the Flynn Park parking lot by William Beaumont Hospital personnel.

**SECOND ADDENDUM TO AGREEMENT BETWEEN CITY OF TROY AND WILLIAM  
BEAUMONT HOSPITAL FOR THE USE OF DRIVEWAY TO ALLOW FOR THE USE OF A  
PORTION OF FLYNN PARK FOR PARKING PURPOSES**

This Second Addendum to Agreement is entered into between the City of Troy, a Michigan municipal corporation, whose address is 500 W. Big Beaver Road, Troy, Michigan 48084, hereinafter "City", and William Beaumont Hospital, a Michigan non-profit corporation, whose address is 3601 West Thirteen Mile Road, Royal Oak, Michigan 48073, hereinafter "Beaumont".

**RECITALS**

- A. City is the fee simple owner of a certain parcel of land located in the City of Troy, Oakland County, Michigan, more particularly described on Exhibit A attached hereto and incorporated herein (the "City Property"). The City Property is used as a City park, commonly known as Flynn Park.
- B. Beaumont operates a hospital and related medical and parking facilities known as Troy William Beaumont Hospital ("Hospital") on the Beaumont Property, which is adjacent to the City Property.
- C. On November 13, 2006, City and Beaumont executed an *Agreement Between the City of Troy and William Beaumont Hospital for the Use of Driveway* (hereinafter *Agreement for Use of Driveway*). Pursuant to Paragraph 2 of this Agreement, "This Agreement does not allow the parking of User's vehicles on the Driveway and/or in the parking lot areas of the Property described in Exhibit A (City Property).
- D. On November 12, 2007, City and Beaumont entered into an Addendum, which allowed Beaumont to temporarily allow the parking of Beaumont employees and user's vehicles in designated parking lot areas of the Property described in Exhibit A (City Property). This Addendum was temporary, lasting for a one year period of time, and expires on October 31, 2008.
- E. Beaumont has requested the extended use of City Property for the parking of Beaumont personnel vehicles at Flynn Park. This request is limited in hours and duration and in scope, so that there will be minimal interference with scheduled park activities.
- F. As consideration for the continued use of City property, Beaumont is willing to pay a user fee.

NOW, THEREFORE, the City and Beaumont agree to the following terms and conditions as a Second Addendum to the *Agreement Between City of Troy and William Beaumont Hospital for the Use of Driveway* previously approved and executed:

1. Definitions. The following terms in this Addendum to Agreement are defined as follows:
  - A. "User" shall mean all Beaumont personnel. The term "user" does not include construction vehicles or emergency vehicles or ambulances.
  - B. "Vehicular" or "vehicles" shall include automobiles (including SUVs, vans, and pick-up trucks) and delivery vehicles driven by Users.
  - C. "Construction vehicles" shall include automobiles, trucks, and any other motor vehicle or machinery or trailers used by Beaumont or its contractors or subcontractors for the delivery of materials, equipment, and/or personnel for construction purposes.
  
2. Parking of User Vehicles at Flynn Park. For consideration set out herein, City agrees to suspend the prohibition against parking, found in paragraph 2 of the *Agreement for the Use of Driveway*, under the following limited terms:
  - A. From November 1<sup>st</sup> to March 31<sup>st</sup> of each year, there shall not be any limit on the number of User vehicles that are permitted to park on City Property, as long as the User Vehicles park in the areas that are described on Exhibit B. This is a non-exclusive grant, since the City Property shall remain open to the public during this time. All federal, state and/or local laws, including traffic laws, shall be enforced against Users and User vehicles on the City Property. During this time period, Beaumont shall be solely responsible for snow plowing and snow removal for the parking areas that are designated on Exhibit B. Beaumont, at its discretion, can hire out the snow plowing and snow removal obligation, but the level of service must be acceptable to City. City shall be held harmless from any and all claims, demands, suits or loss, including damages, costs and attorney fees alleged to be proximately caused by improper snow removal or failure to remove snow on the parking areas during this time period. This obligation is in addition to Beaumont's obligation to complete snow plowing and removal on the driveway areas under the *Agreement for the Use of Driveway*.
  - B. From April 1<sup>st</sup> to October 31<sup>st</sup> of each year, User vehicles are only permitted to use the sixty (60) designated spaces that are found on Exhibit C. This grant is non-exclusive, and shall be limited to the weekdays only (Monday thru Friday) and only during the hours of 6:00 am to 3:30 pm
  
3. User Fee. As consideration for the ability to use City property for the parking of User vehicles, Beaumont shall pay a \$5,000.00 non-refundable annual user fee, the first payment of which shall be paid within ten (10) days after the date of the last signature on this Addendum Agreement and which shall be paid on or before November 1<sup>st</sup> of each year thereafter. The User Fee shall cover the period from November 1<sup>st</sup> to October 31<sup>st</sup> of each year.

4. Term of Second Addendum Agreement: This Second Addendum Agreement shall expire on the same date as the termination date of the *Agreement for the Use of Driveway*, executed on November 13, 2006. If the *Agreement For Use of Driveway* is terminated by either party, as set out in Paragraph 16 of the *Agreement For Use of Driveway* or the *Agreement For Use of Driveway* is terminated in any other manner, than this Second Addendum Agreement shall also be terminated at the same time. However, this Second Addendum Agreement may be terminated by either party as set out in Paragraph 8, without the termination of the *Agreement for Use of Driveway*.
5. Signage. There shall be no signage on the City property that reserves parking spaces for User vehicles or otherwise identifies the area as designated for User vehicles. If this provision is violated, then City can remove the signs at cost to Beaumont, and will keep the signs for thirty (30) days at the Parks and Recreation Department. Any signs still remaining after thirty (30) days will be destroyed or recycled, in the City's discretion.
6. Indemnification and Hold Harmless. To the fullest extent permitted by law, Beaumont agrees to defend, pay on behalf of, indemnify and hold harmless City, its elected and appointed officials, employees and volunteers and others working on behalf of City against any and all claims, demands, suits, loss, including all costs and attorney fees connected therewith, and for any damages which may be asserted, claimed or recovered against or from City, its elected and appointed officials, employees, volunteers or others working on behalf of City, by reason of personal injury, including bodily injury or death and/or property damage, including loss of use thereof, which arises out of or is in any way connected or associated with this Addendum Agreement.
7. Responsibility for Damage to Vehicles or Theft or Loss from Vehicles. The City shall not be responsible for damage to any vehicles, Users or otherwise, or for any theft from or loss from a vehicle, Users or otherwise, while that vehicle is parked on City Property.
8. Termination of Addendum Agreement. Beaumont may terminate this Second Addendum Agreement at any time, but shall not be entitled to a refund of any portion of the non-refundable user fee. If Beaumont no longer needs to use the City Property for User Vehicles during the designated time frame, then Beaumont shall send a courtesy notice to the Director of Parks and Recreation indicating that it Users will no longer be parking on City Property as of a certain date, which shall be included in the written notification. City may terminate this Second Addendum Agreement for non-payment of the annual user fee, upon thirty (30) days written notice to Beaumont. If payment of the user fee is received by City within thirty (30) days of the written notice, City shall be prohibited from terminating the Second Addendum Agreement for the reason of non-payment of the user fee only. City may terminate this Addendum Agreement upon thirty (30) days written notice if, in its discretion, it is determined that it is in the best interest of City to do so, either because of different planning for the use of the City Property, or due to actions of

the City or City Council which effect the ability of the City to allow Beaumont the use of the City Property for parking. City also reserves the right to terminate this Second Addendum Agreement immediately, if the use of the parking lots or parking spaces causes any condition which affects the health, safety and welfare of the public. City will make every effort to give as much notice to Beaumont as is feasibly possible in this situation. Additionally, City may terminate this Addendum Agreement if, after giving written notice to Beaumont of specific violations of the law by Users or after misuse of the terms of the Addendum Agreement by Beaumont, Beaumont fails to cure such violation or misuse within ten (10) days of receipt of written notice.

9. Use of User Fee. It is the City's intent to use the User Fee paid by Beaumont under this Addendum Agreement for improving public parks throughout the City of Troy.
10. Notices. Notices permitted or required hereunder shall be in writing and shall be delivered or sent by certified mail or overnight delivery by a reputable national carrier to the addresses as set forth above. Either party may, by written notice, designate a different address to which notices must be sent.
11. Governing Laws. This Second Addendum Agreement shall be construed in accordance with the laws of the State of Michigan and any applicable federal laws and regulations.
12. Exhibits. All exhibits referred to herein and attached hereto shall to shall be deemed part of this Agreement.
13. Severability. If any term, provision or condition contained in this Second Addendum Agreement shall to any extent, be invalid or unenforceable, the remainder of this Second Addendum Agreement (or the application of such term, provision or condition to persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision or condition of this Second Addendum Agreement shall be valid and enforceable to the fullest extent permitted by law.
14. Driveway Use Agreement. This Second Addendum Agreement replaces the expired Addendum Agreement, and supplements the *Driveway Use Agreement*, and together comprises the entire Agreement of the parties with respect to User parking on City Property. All terms and conditions of the Driveway Use Agreement between the parties shall remain in full force and effect during and after termination of the Addendum Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Addendum Agreement as of the day and year first above written.

# CITY COUNCIL ACTION REPORT

Date November 7, 2006

TO: Phillip L. Nelson, City Manager

FROM: John M. Lamerato, Assistant City Manager/Finance & Administration  
Brian P. Murphy, Assistant City Manager/Services  
Steven J. Vandette, City Engineer  
Carol K. Anderson, Director Parks and Recreation

SUBJECT: Agreement – City of Troy and William Beaumont Hospital for the Use of Flynn Park Roadway.

## **Background:**

- William Beaumont Hospital is pursuing the use of Flynn Park roadway by hospital personnel to limit the traffic congestion exiting William Beaumont property onto Dequindre Road, particularly at shift change. Use of the Flynn roadway will increase ingress/egress to two locations for staff and contractors. Use of the roadway will not be permitted for hospital vendors.
- Discussions between the two parties began in early 2005 and continued while William Beaumont Hospital sought an easement from the Detroit Water and Sewer Board. Upon approval for the easement from Detroit Water and Sewer, the final agreement was drafted.

## **Legal Considerations:**

- The agreement contained herein, addresses all legal considerations negotiated by both parties.

## **Policy Considerations:**

- Use of City property for private use is a departure from past practice, however there is some public benefit to decreasing traffic on Dequindre Road and additional ingress/egress by Fire and Police Department personnel.
- The item is consistent with (Goal #2) and (Goal #5)

## **Financial Considerations:**

- This agreement will result in additional revenues of \$10,000 for park use and reimbursement of 70% of maintenance costs. In the past, these costs have been incurred by the City.

## **Options:**

- City management recommends approval of the agreement with William Beaumont Hospital for the use of Flynn Park roadway.

**Vote on Resolution to Amend by Substitution**

Resolution #2006-11-343

Moved by Howrylak

Seconded by Lambert

RESOLVED, That Troy City Council hereby **AMENDS** the resolution for *Approval to Negotiate a Food Service Contract for Community Center and Sanctuary Lake* by **STRIKING** it in its entirety and **SUBSTITUTING** it with the following:

*"RESOLVED, That Troy City Council hereby REJECTS the proposed proposal received to provide 5-year food service at the Community Center and Sanctuary Lake with the option to renew for 5 additional years which was opened on September 8, 2006 and that the contract be rebid under revised specifications including the provision that non-profit organizations will not be obligated to purchase food from Emerald Food Services; and*

**AGREEMENT BETWEEN CITY OF TROY AND WILLIAM BEAUMONT HOSPITAL  
FOR THE USE OF DRIVEWAY**

This Agreement is entered into between the City of Troy, a Michigan municipal corporation, whose address is 500 W. Big Beaver Road, Troy, Michigan 48084, hereinafter "City", and William Beaumont Hospital, a Michigan non-profit corporation, whose address is 3601 West Thirteen Mile Road, Royal Oak, Michigan 48073, hereinafter "Beaumont".

**RECITALS**

A. City is the fee simple owner of a certain parcel of land located in the City of Troy, Oakland County, Michigan, more particularly described on **Exhibit A** attached hereto and incorporated herein (the "City Property"). The City Property is used as a City park commonly known as Flynn Park.

B. The City of Detroit is the fee simple owner of a certain parcel of land located adjacent to the City Property over which the City of Detroit has granted Beaumont an easement for ingress and egress to and from a certain parcel of land owned by Beaumont that is located adjacent to the City of Detroit Property, which property is more particularly described on Exhibit B attached hereto and incorporated herein (the "Beaumont Property"). Beaumont operates a hospital and related medical and parking facilities known as Troy William Beaumont Hospital ("Hospital") on the Beaumont Property.

C. Beaumont desires to use the Driveway (the "Driveway") on the City property, which goes south, starting at South Boulevard and ending at the Sanctuary Lake Golf Course, which Driveway is depicted on Exhibit C-1 and legally described on Exhibit C-2, as a means of ingress and egress to and from the Beaumont Property for its employees, contractors and delivery vehicles.

NOW, THEREFORE, the City and Beaumont agree to the following terms and conditions:

1. Definition of terms in the Agreement: The following terms in this Agreement are defined as follows:

- A. "User" shall mean all Beaumont personnel. The term "user" does not include construction vehicles or emergency vehicles or ambulances.
- B. "Vehicular" or "vehicles" shall include automobiles (including SUVs, vans and pick-up trucks) and delivery vehicles driven by Users.
- C. "Construction vehicles" shall include automobiles, trucks, and any other motor vehicle or machinery or trailers used by Beaumont or its contractors or subcontractors for the delivery of materials, equipment, and/or personnel for construction purposes.

2. Grant of Use of Driveway. For consideration set out herein, the City hereby allows Beaumont to have the non-exclusive use of the Driveway described and depicted on Exhibit C. Only Users shall use the Driveway (together with Flynn Park visitors), which shall be used for vehicular ingress and egress to and from South Boulevard to Beaumont's Property. This Agreement does not allow the parking of User's vehicles on the Driveway and/or in the parking lot areas of the Property described in Exhibit A. Beaumont acknowledges that the Driveway shall remain open to the public, and that federal, state, and/or local laws, including traffic laws, shall be enforced on the Driveway.

3. Delivery vehicles and Ambulances. Users in delivery vehicles shall be allowed to use the Driveway only during the time period from 12:00 a.m. (midnight) and 7:00 a.m. Ambulances or other emergency or first responder vehicles shall not be allowed on the Driveway at any time unless there is an emergency situation where Dequindre Road access to the Hospital is completely blocked for reasons other than normal traffic back-ups (or in the event there is an emergency at Flynn Park, on the Driveway or property located adjacent to the Driveway). If there is an emergency use of the Driveway for ambulance service, Beaumont shall notify the City Manager as soon as reasonably possible of the reason for the use of the Driveway and the circumstances surrounding the use. Such temporary use shall terminate once there is access to the hospital from Dequindre Road.

4. Review of Terms of Agreement. One (1) year from the effective date of the Agreement, the parties shall arrange a meeting to review the conditions and operations on the Driveway during the previous year. The parties shall consider traffic studies, traffic experiences, driving behavior, pedestrian and park user behavior and other relevant studies or factors to determine if additional actions, lighting and/or signage are necessary for a safe and orderly flow of traffic. If amendments to this Agreement are required in order to provide for a safe and orderly flow of traffic, then the parties will negotiate an addendum to this Agreement setting forth what actions will be taken to

ensure the safe and orderly flow of traffic, and delineating which party is responsible for each action and how those actions will be financed. The parties agree to act in good faith and to use commercially reasonable efforts to find a solution to any issues that may arise so that this Agreement does not get terminated. If a mutually acceptable agreement cannot be reached, then the parties shall have the option to terminate this Agreement at that time, by following the steps as set forth in this Agreement.

5. User Fee. In addition to any other costs or fees set out in this Agreement, Beaumont shall pay to the City, for the first year of the term of this Agreement, a User Fee of \$10,000.00, which is due on or before December 31<sup>st</sup> of each year, starting in 2006 for the 2007 calendar year. The User Fee shall increase each subsequent year of the term of this Agreement by an amount equal to the percentage increase in the CPI during the previous year. As used herein, "CPI" shall mean the Consumer Price Index (New Series) (Base Period 1982-84=100) (all items for all urban consumers for the Detroit area) issued by the Bureau of Labor Statistics of the United States Department of Labor (the "Bureau"). If the CPI ceases to use the 1982-84 average equaling 100 as the basis of calculation, or if a change is made in the term, components or number of items contained in said index, or if the index is altered, modified, converted or revised in any other way, then the index shall be adjusted to the figure that would have been arrived at had the change in the manner of computing the index in effect at the date of this Agreement had not been altered. If at any time during the term of this Agreement the CPI is no longer published by the Bureau, then any comparable index issued by the Bureau or similar agency of the United States issuing similar indices shall be used in lieu of the CPI. The User Fee represents payment to the City for the increased risk incurred by the City for the private use of the Driveway with little benefit to the public. The User Fee shall be reviewed every ten (10) years on the anniversary date of the approval of the Agreement by City Council. If it is determined that private use of the Driveway by Beaumont has increased over the ten (10) year period or that the City has incurred increased risk not anticipated by the Agreement with little comparable benefit to the public, the City may increase the User Fee up to a maximum of 120% of the then current User Fee. The City shall give Beaumont thirty (30) days written notice of the increased User Fee which will become effect during the next ten (10) years of the Agreement. If Beaumont is not agreeable to said increase in the User Fee, then Beaumont may terminate the Agreement by sending written documentation to the City within thirty (30) days after the City provides written notice of increase of the User Fee. If Beaumont terminates the Agreement, Beaumont shall remove its signage. If Beaumont fails to remove the signage after the passage of a reasonable amount of time, the City shall have the right to remove all signage required by this Agreement from the property and bill Beaumont for the removal. This signage shall be returned to Beaumont at its direction.

6. Driveway Work. Prior to permitting construction vehicles to travel over the Driveway, Beaumont shall, at its sole cost, repave the Driveway to a thirty-six (36) foot driveway from curb to curb and install street lighting and signage ("Repaving Work") in accordance with the standards and specifications listed on Exhibit D attached hereto and incorporated herein. "Repaving Work" shall mean replacement of the driveway.

Prior to beginning any work, Beaumont shall provide copies of the construction and engineering plans for the Repaving Work for approval by the City's Engineering Department which approval shall not be unreasonably withheld or delayed. The City shall have the reasonable discretion to determine if Beaumont has complied with all applicable federal, state and City codes and standards for the Repaving Work. Failure to complete the Repaving Work to the City's reasonable satisfaction or to complete the work within a ninety (90) day period from the date of the final approval of the construction and engineering plans by the City (subject to delays beyond the reasonable control of Beaumont), shall be considered a breach of this Agreement under Paragraph 16.

7. Waivers. Upon completion of the Repaving Work, Beaumont shall obtain true and complete final waivers and releases of liens, with respect to the Repaving Work, which shall be executed and delivered by all of Beaumont's contractors that provide goods or services in connection with the Repaving Work.

8. Construction Vehicular Traffic. After final approval by the City of the Repaving Work, Beaumont may begin use of the Driveway for User vehicular traffic and construction vehicular traffic pertaining to the construction of the parking structure and buildings located in the City of Troy only. The Drive shall not be used for construction vehicular traffic pertaining to the construction of improvements located in the City of Sterling Heights. Construction vehicular traffic shall only be allowed during the construction phase of the proposed parking structure and buildings on the Troy side only of the Beaumont Property. The City shall have the reasonable discretion to determine when the parking structure and buildings are completed and when construction vehicular traffic to the site is no longer permitted. Construction vehicular traffic shall further be prohibited on the Driveway for all games that are scheduled for Flynn Park, and shall be prohibited starting one hour before any scheduled games, and ending one hour after the last scheduled game. The City shall send a game schedule to Beaumont each week. Construction vehicular traffic shall also be limited to times that are set out in the Troy Code of Ordinances for construction which are not before 7:00 a.m. and not after 8:00 p.m. on Monday through Saturday. Construction is not allowed at any other time or on Sunday unless a permit is first obtained from the Building Department for building work or from the Engineering Department for street work.

9. Signage. Beaumont shall erect a sign identifying the Driveway as the employee and delivery entrance to Beaumont. That sign shall be erected at the location designated in Exhibit E. The design, size and materials of the sign shall be approved by the City and constructed according to the specification listed in Exhibit E. Beaumont shall be responsible for the maintenance of the signage. The City may reasonably request that the signage be relocated at Beaumont's expense at any time the City redesigns the playing fields and/or parking areas serving Flynn Park site or in the event the City reasonably determines that it is in the interest of the health, safety and welfare of the public to do so.

10. Maintenance except Snow Removal. The City shall maintain the Driveway,

located within the property described in Exhibit C in a manner in keeping with City policies and procedures, including, but not limited to, repair and/or replacement of the Driveway, filling of pot holes, repair of cracks, resurfacing of portions of Driveway, and the repair of curbs. Beaumont shall pay seventy (70%) percent and the City shall pay thirty (30%) percent of all cost associated with such maintenance. Within thirty (30) days after maintenance has been performed, the City will send Beaumont a billing for its share of the work. Beaumont shall have thirty (30) days to submit payment for the billing. If any of the required maintenance will impact ingress and egress of User traffic, then Beaumont shall be notified thirty (30) days before such maintenance is performed. Beaumont shall pay 100% of the required maintenance costs if the damage necessitating the maintenance is other than normal wear and tear, and is caused in whole or in part by a User or construction vehicles. In the event the City fails to reasonably maintain the Driveway as provided herein, then in such event, after giving the City 90 days' prior written notice, Beaumont shall have the right to perform the required maintenance and the City shall promptly reimburse Beaumont its 30% share of the costs of the maintenance performed by Beaumont.

11. Snow Removal: The City shall not be responsible for snow removal on the Driveway. Beaumont, at its sole cost, shall be responsible, either directly or through a contractor, for removal of snow accumulation on the Driveway, as described in Exhibit C. The City shall incur no liability for any and all claims, demands, suits or loss, including damages, costs and attorney fees alleged to be proximately caused by improper snow removal or failure to remove snow on the Driveway, as described in Exhibit C.

12. Indemnification and Hold Harmless. To the fullest extent permitted by law, Beaumont agrees to defend, pay on behalf of, indemnify and hold harmless the City, its elected and appointed officials, employees and volunteers and others working on behalf of the City against any and all claims, demands, suits, loss, including all costs and attorney fees connected therewith, and for any damages which may be asserted, claimed or recovered against or from the City, its elected and appointed officials, employees, volunteers or others working on behalf of the City, by reason of personal injury, including bodily injury or death and/or property damage, including loss of use thereof, which arises out of or is in any way connected or associated with this Agreement.

13. Insurance. Within five (5) days from the execution of this Agreement, Beaumont shall provide a Certificate(s) of Insurance acceptable to the City demonstrating that general liability coverage is available for any and all claims for personal injury or property damage which are or might be caused by the use of the Driveway by Beaumont Users and construction vehicular traffic. A sample Certificate of Insurance is attached hereto as Exhibit F, which sets out the acceptable insurance requirements. Beaumont agrees to keep said insurance coverage in effect for the term of this Agreement or any renewals thereof. Prior to the expiration of any insurance coverage, Beaumont shall submit to the City of Troy Risk Management Department the new Certificate(s) of Insurance, which shall be in accordance with the requirements of

this Agreement. Any Certificate(s) of Insurance shall name the City of Troy as an additional insured and contain the following cancellation notice:

"Should any of the above described policies be cancelled or materially changed before the expiration date thereof, the issuing insurer will mail 30 days written notice to the certificate holder named to the left."

Additionally, the City may request a copy of said insurance certificate at any time during this Agreement. Failure to produce a certificate of insurance within fifteen (15) days of a request by the City, shall allow the City to block Users access to the Driveway until such certificate is produced.

It shall be the responsibility of Beaumont to ensure that the City is provided with a new Certificate of Insurance acceptable to the City before a Certificate of Insurance on file with the City's Risk Management Department expires. A lapse in the insurance required under the Agreement shall be considered a material breach of this Agreement and the Agreement shall become null and void automatically at any time such a lapse in coverage exists. As an alternative to declaring the Agreement null and void, the City shall have the absolute right to immediately close access of the Driveway to Users or construction traffic until the City receives an acceptable Certificate of Insurance, without the requirement to provide 30 days to cure the defect, as set forth in Paragraph 16 of this Agreement. The City's exercise of this alternative on one occasion does not preclude the City from exercising its option to declare the Agreement null and void if proof of insurance is not provided to the City within fifteen (15) days after a lapse of coverage once the Driveway is closed or coverage lapses on a subsequent occasion.

14. No improvements. Beaumont shall be prohibited from constructing any buildings or making any improvements on the City's property except as provided herein. In the event Beaumont violates this provision, the City shall have the right to obtain injunctive relief from such violation in addition to any other rights or remedies the City may have at law or in equity.

15. Term of Agreement. The Agreement shall remain in effect for twenty (20) years unless terminated by either party as set out in Paragraph 16. The Agreement shall automatically renew for ten (10) year terms at the end of the initial term and thereafter after each ten (10) year period unless written objections to the automatic renewal is provided to the other party at least one (1) year before the Agreement is set to expire.

16. Termination of Agreement. If Beaumont violates any of the terms or conditions of this Agreement, the City will give Beaumont a written notice describing the violation. Beaumont will have thirty (30) days (or such other reasonable time period as may be reasonably required in the City of Troy's reasonable judgment to cure the defect so long as Beaumont, in the City's reasonable judgment, is diligently trying to cure such

defect) to correct the violation. If at the end of the thirty (30) days (or such other time period as provided above), Beaumont has failed to correct the violation to the City's satisfaction, the City may declare the Agreement terminated and block access for ingress and egress for Users and construction vehicular traffic of Beaumont. Further, there may be unforeseen circumstance where it is reasonably imperative for the health, safety and welfare of the public, to terminate this Agreement, either temporarily or permanently. In any such event, the City shall give as much notice as reasonably possible to Beaumont, that the Driveway is or will be shut down. The City will meet with Beaumont to determine if any acceptable alternative to either terminating the Agreement or entering into a new agreement or arrangement concerning access to the Beaumont site is available.

17. Use of User Fee. It is the City's intent to use the User Fee paid by Beaumont under this Agreement for improving public parks throughout the City of Troy.

18. Binding. This Agreement shall run with the land and shall be binding upon the parties hereto and their respective successors and assigns.

19. Notices. Notices permitted or required hereunder shall be in writing and shall be delivered or sent by certified mail or overnight delivery by a reputable national carrier to the addresses as set forth above. Either party may, by written notice, designate a different address to which notices must be sent.

20. Governing Laws. This Agreement shall be construed in accordance with the laws of the State of Michigan and any applicable federal laws and regulations.

21. Exhibits. All exhibits referred to herein and attached hereto shall to shall be deemed part of this Agreement.

22. Severability. If any term, provision or condition contained in this Agreement shall to any extent, be invalid or unenforceable, the remainder of this Agreement (or the application of such term, provision or condition to persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

23. Entire Agreement. Except as otherwise expressly provided herein, this Agreement constitutes the entire Agreement of the parties hereto with respect to the matters addressed herein and supersedes all prior or contemporaneous contracts, promises, representations, warranties and statements, whether written or oral, with respect to such matters.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

# Exhibit D Driveway Work & Lighting

## AGREEMENT BETWEEN CITY OF TROY AND WILLIAM BEAUMONT HOSPITAL FOR THE USE OF DRIVEWAY

The entire driveway, including the boulevard entrance, from South Boulevard to the Beaumont property, shall be replaced using the Heavy Duty Bituminous Pavement cross section depicted below and on sheet C5.101 of plans prepared by Harley Ellis Devereaux, dated August 31, 2006, and approved by the City of Troy. The relocated access road to the Flynn Park parking lot shall be replaced using the Medium Duty Bituminous Pavement cross sections as depicted below and on the above referenced plans. All curbs shall be replaced to match the existing 24" concrete curb and gutter section on the Flynn Park side. Lighting along the entire driveway shall be extended from and match those on the Beaumont property. Engineering plans for the Repaving Work and Lighting must be approved by the City's Engineering Department prior to construction.
