

## CITY COUNCIL ACTION REPORT

November 10, 2008

TO: Phillip L. Nelson, City Manager

FROM: Susan A. Leirstein, Purchasing Director  
William S. Nelson, Fire Chief

SUBJECT: Standard Purchasing Resolution 2: Bid Award – Lowest Bidder Meeting Specifications – Breathing Air Compressor

### **Background**

- On October 24, 2008, bids were received and opened for ITB-COT 08-35 to provide a Breathing Air Compressor for the Fire Department.
- 106 Vendors were notified via the MITN system with five (5) bid responses received, as well as two statements of no bid.
- The bids were examined and compared to the bid specifications.
- Breathing Air Systems was the overall low bidder but could not be considered for award, as the carbon monoxide detection system specified was not included in the bid price.

### **Financial Considerations**

- Funds are budgeted in the Fire Department's General Equipment Capital Account # 401.336.337.7978.010

### **Legal Considerations**

- ITB-COT 08-35 to furnish and install a breathing air compressor at Fire Station #1 was competitively bid as required by Chapter 7 of the City Code.

### **Policy Considerations**

- The purchase of this air compressor supports the volunteer firefighters who help to make this a safe community. (Outcome Statement 1)
- Awarding this bid meets Council's ongoing goal of maintaining the safety and effectiveness of the firefighters. (Outcome Statement 1)

### **Options**

- City management recommends awarding a contract to purchase and install the Airetex W4-7-408-FP6M air compressor from Southeast Equipment, Inc. of Troy, MI, for an estimated total cost of \$21,973.80.
