The Michigan Public Service Commission (Commission) will hold a public hearing to consider the January 26, 2009, request of The Detroit Edison Company (Detroit Edison) to increase its annual base electric revenues by approximately \$378 million above base rate levels, and several other expense recovery mechanisms ordered by the Commission or requested by Detroit Edison and continue to recover regulatory assets.

Detroit Edison is requesting the additional annual revenues in order to recover the costs associated with environmental compliance, the operation and maintenance of its electric distribution system and generation plants, customer uncollectible accounts, inflation, the capital costs associated with the addition of plant, and to recognize the reduction in territory sales. The rates proposed in this filing reflect the realignment of rates ordered by the Commission.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets Website at: [michigan.gov/mpscedockets](http://michigan.gov/mpscedockets).
