April 13, 2009

TO: John Szerlag, Acting City Manager

FROM: Brian P. Murphy, Assistant City Manager/Economic Development Services
Susan A. Leirstein, Purchasing Director
Timothy L. Richnak, Public Works Director

SUBJECT: Standard Purchasing Resolution 1: – Award To Low Bidders – Hauling/Disposal of Dirt and Debris

Background

- On March 13, 2009, bid proposals were electronically received for one-year requirements of Hauling/Disposal of Dirt and Debris with an option to renew for one additional year.
- 91 vendors were notified via the MITN system with six (6) bid responses received, as well as one incomplete bid.
- Each item on the proposal was considered as a separate bid, after consideration was given to the discounts quoted; and recommendations made to the lowest responsible bidders for each item.

Financial Considerations

- Funds are available in the 2009-2010 Operating Budgets for the Streets and Water departments.

Legal Considerations

- ITB-COT 09-19, Hauling/Disposal of Dirt and Debris was competitively bid as required by City Charter and Code.
- The awards are contingent upon contractors' submission of proper insurance certificates and all other specified requirements.

Policy Considerations

- All bidders were given the opportunity to respond with their level of interest in providing hauling/disposal services for the City of Troy. (Goal II)

Options

- City management recommends awarding contracts on an item by item basis to the three low bidders.
