Dear Mary Kerwin,

On behalf of Barnard Elementary and our fourth grade class, I would like to take this opportunity to thank you for joining us at our Michigan Breakfast. It was a special morning for these students who were truly touched by your presence. Our students have spent a great deal of time learning about Michigan and Michigan Government this past year. Your contributions at the breakfast reinforced and enhanced their knowledge.

Last Monday, Barnard students had another exciting opportunity. They visited our state capital in Lansing to continue to gain information about our legislative bodies and Michigan law. They all came back very excited. The breakfast and this trip completed their Michigan studies for this year; however, I am convinced their interest in our great state and in our governing bodies at the state, county, local and district level will continue.

We know how very busy your schedule is. To share your time and talents with us is greatly appreciated. We hope you enjoyed your visit with our students. I know it will be a special memory for them.

With great appreciation,

  
Mary Haezebrouck
