

## CITY COUNCIL ACTION REPORT

DATE: July 7, 2009

TO: John Szerlag, Acting City Manager

FROM: Brian P. Murphy, Assistant City Manager/Economic Development Services  
Mark F. Miller, Planning Director

SUBJECT: Public Hearing – Street Vacation — Twenty-five Foot (25') Wide Right-of-Way Platted as Part of Supervisor's Plat No. 10, Markton Street, North of Naughton and South of I-75, Abutting 1125 and 1200 Naughton, M-1 (Light Industrial) District, Section 26 (File Number: SV 34-B)

The Planning Commission recommended approval of the street vacation request at the June 9, 2009 Regular meeting. The right-of-way is approximately 200 feet long by 25 feet wide. It dead-ends at I-75 to the north and has never been improved as a public street.

The building at 1125 Naughton fronts on both Naughton and Markton, therefore there are two front yards for the purposes of determining required setbacks. The front yard between Markton Street and the building is required to be kept free of parking as per Section 31.30.00(L) of the Zoning Ordinance. The existing off-street parking spaces on the east side of the building are located within the front yard setback. By vacating Markton Street, the petitioner will eliminate this non-conformity. At the May 12, 2009 Planning Commission meeting, the Planning Commission approved a site plan application for an automotive repair facility, XI Auto Service, at 1125 Naughton, subject to the condition that the applicant shall vacate the Markton Street right-of-way prior to Final Site Plan Approval.

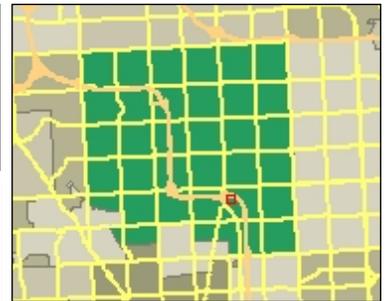

Upon vacation, ownership of the west half of the vacated street will revert to Lot 11 (1125 Naughton) and the east half would revert to Lots 16 and 24 (1200 Naughton) of Supervisor's Plat No. 10. There is a 30-inch storm sewer and overhead utilities within the right of way. Consequently, the City will need to retain a 25-foot wide easement for public and private utilities.

Brent,

Thank You for explaining the details to me on the proposed vacation of Markton Street that abuts our property at 1200 Naughton Ave and the neighboring property 1125 Naughton. It is my understanding that the owner of 1125 Naughton has interest in improving that property and paving and / or putting grass on his property which may include 1/2 or the 25foot section now known as Markton Street. It is also my understanding that we (the current property owners of 1200 Naughton Ave.) will acquire 1/2 of the property or 12.5 feet at no additional cost to us. I also understand that there is an easement and right of way which would limit most uses of that section of property. We have no objections to this proposed vacation as I have understood the above details.

Sincerely,

Joan McCullen

V.P.
