MEMORANDUM

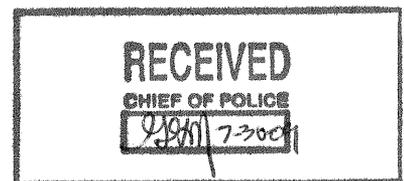

DATE: July 30, 2009
TO: Chief Gary Mayer
FROM: Pat Gladysz
RE: Telephone message

I received a call today from Marilyn Bailey who stated that she and her friend Joyce Cunniff, both of Birmingham, were traveling through Troy on West Square Lake Road on July 29, 2009 at approximately 1:20 pm when they experienced a flat tire.

According to Mrs. Bailey, Officer Paul Bednard observed their situation and "came to their rescue". She stated that Officer Bednard was extremely polite and courteous, and they were very grateful for his assistance.

Mrs. Bailey did not want to leave a telephone number for a return call, but instead asked that I inform the Chief of Police of Officer Bednard's outstanding service to citizens.
