SUBJECT: **Agenda Item:** Standard Purchasing Resolution 3: Option to Renew – Aquatic Center Pool Maintenance And Repair Services

RECOMMENDATION

On June 21, 2004, Council approved a one (1) year contract for Pool Maintenance and Repair Services at the Troy Aquatic Center and Community Center, with two (2) one-year options to renew under the same terms and conditions, based on mutual consent of both parties (Res#2004-06-329-E-6). B & B Pool and Spas of Livonia, Michigan has offered to renew their contract for an additional year under the same pricing structure, terms and conditions.

City management recommends exercising the option to renew for one-year from B & B Pool and Spas to expire June 30, 2006. B&B Pool and Spas has made repairs this past year to both the indoor and outdoor pools. They have completed these repairs in a timely manner with excellent quality. The repairs included caulking at both pools and tile work at the outdoor pool.

SUMMARY

B&B Pool & Spas hourly rates are as follows:

Regular Time – Hour per Man	\$125.00 (first hour) \$ 75.00 per hour thereafter
Typical Crew Size	Two-man
Parts List Provided	dated 1/1/03

MARKET SURVEY

At the time the bid closed last year only one vendor had responded, B&B Pool and Spas. A comparison of repair rates was completed in 2004 and facilities in the area with similar needs were contacted. It was determined B&B Pool and Spas hourly rates for services are at or below market prices.

BUDGET

Funds to provide these services will be available in the respective Troy Family Aquatic Center Accounts #787.7802.070 and #787.7802.150 and Troy Community Center Accounts #755.7802.070 and #755.7802.150.

Dear Mr. Babcock:

The City of Troy entered into contract #20301124 OB with B & B Pools and Spas to provide one-year requirements to furnish all labor, tools, material, equipment, and supervision to perform service/maintenance and repair on the City of Troy Pools (1) outdoor and (2) indoor and mechanical systems, excluding pumps expiring June 30, 2005. This contract contained an option for two one-year renewal options under the same terms and conditions as the original contract. If a new price list is to be submitted within the terms and conditions of the current contract, 30-day notification of the new list is required. Please be aware that the City of Troy reserves the option to accept the price list change or re-bid.

Please fax this letter back to Brian Goul at Parks and Recreation indicating if B & B Pools and Spas wishes to renew this contract until June 30, 2006. The fax number is (248) 689-6497. It should be understood that this request to renew the contract is subject to a favorable market survey. A request by City staff to determine the successful bidder's interest in renewing the contract in no way obligates the City. The option cannot be exercised without Troy City Council approval and a blanket purchase order issued.

If you have any questions please call me at (248) 524-3484.

SUBJECT: **Agenda Item:** Standard Purchasing Resolution 1: Award to Sole Bidder – Pool Maintenance and Repair Services

RECOMMENDATION

On April 30, 2004, bids were opened to provide maintenance and repair services for one year at the Troy Family Aquatic Center and Community Center Pools (excluding pumps), with two – one- year renewal options. City management recommends the maintenance and repair services contract be awarded to B & B Pool and Spas, 29440 Six Mile Rd., Livonia, MI, the sole bidder, for an estimated yearly cost of \$15,000.00 plus parts, at unit prices contained in the attached bid tabulation and Strantrol parts price list dated 1/1/03. The contract will expire June 30, 2005.

SUMMARY

B & B Pool and Spas has been used in the past for chemical and pulsar issues, and the installation of the Strantrol system, which monitors pool water. In addition, B & B has a technical division that will assist with the repairs under this contract on an as needed basis. Companies who have done repairs and maintenance in the past for the Troy Family Aquatic Center were contacted to discuss their reasons for not participating in the bid process.

Northwest Pools, Inc.,

The previous contractor for this work indicated labor costs have gone up and they are charging travel time using a different method, which would escalate the hourly rate over those charged on the old contract. The City of Troy requires Michigan Worker's Compensation and is the only Michigan client that does. The president of the company passed away and the current bid was lost in the shuffle.

Clearwater Pools and Service of Ann Arbor

The current contractor for opening and closing the outdoor Aquatic Center indicated they did not recall receiving a bid. The Purchasing Department no longer mails out bid proposal documents, but sends a notice to all vendors commodity coded in our JDE database that the bid document is available on the MITN website, and to call the Purchasing office if they have any questions on how to register.

Robertson Brothers Pool Service

They have not provided services for at least five years, due to previous problems with the City, and the City's unhappiness with past work performance.

The maintenance and service needs of the Troy Family Aquatic Center and Community Center Pools include, but is not limited to: caulking, tile work, grouting, and service to the filtration system. Depending on the availability of Building Operation resources, B & B Pools will perform pool maintenance and repairs as needed with the exception of marcite repairs and boiler work. Other major repairs will be bid or quoted depending on the project. B & B Pool and Spas hourly rates for services are at or below market prices as compared to other area facilities.
