Dear Mr. Stimac,

First Baptist Church of Troy is requesting a variance to allow a visiting Pastor to park and occupy his recreational vehicle on our church property during a week of special meetings. He will be using his pull behind camper on our property July 28–August 7, this will allow him flexibility in the exact arrival and departure date from our church.

Please grant a temporary suspension of Chapter 47, House Trailer, of the Code of the City of Troy.

Please contact me if you have any questions, or if there is anything else I need to do in order to have this variance decided upon by the Council at the next possible meeting.

Sincerely,

Philip Fitzgerald  
Business Manager
