Troy, Mi 48084

Dear Chief Gary Mayer;

On behalf of Alfreda Simmons, Store Manager of Old Navy in Troy Michigan, we would like to thank the Troy Police Department for their support during our "Kids Safety Event". We could not have experienced the success that we had without your commitment to the community.

We would like to thank LT. Bob Redmond, Sgt. John Schaufler, and CS Sam Kalef for their support in helping us make our vision a reality. We would also like to give special recognition to Officers Jason Clark and Gail Grzybowski for making "Kids Safety day" a fun and exciting day for all of our customers.

Again, your support and commitment is greatly appreciated.

Sincerely,

Old Navy Leadership Team Store #6591
