MEMORANDUM

DATE: October 14, 2009
TO: Chief Gary Mayer
FROM: Pat Gladysz
RE: Telephone message

I received a call today from Ms. Beryl Bradick of 1169 Kirts Boulevard, Unit F (Strathmore Village).

Ms. Bradick asked that I convey the gratitude that she and other residents of Strathmore Village share for our Department. On September 28, 2009, there was an attempted home invasion in their complex. Ms. Bradick stated that the officers and evidence technicians were "very thorough and very professional" in every aspect of this incident. The details of the incident investigation were explained very well and the extra patrol is greatly appreciated. Today, an officer on patrol requested identification from a contractor in the area and Ms. Bradick repeatedly expressed her gratitude for this type of service.

Ms. Bradick left her phone number, but indicated that a return call was not necessary. She asked that I inform the Chief of Police of this outstanding service to citizens.
