Dear Chief Mayer,

Thank you for your department's support at the 2009 WOODWARD DREAM CRUISE. We would not be able to manage an event of this magnitude without all of the support from outside agencies. The city of Royal Oak drew over one million visitors for this year's event. Our multi jurisdictional motor unit was comprised of 104 motor officers from 24 different departments. Your motor officers' efforts are greatly appreciated in assisting our agency and all of the local Departments hosting the DREAM CRUISE. Your Motorcycle Unit helped tremendously in making this year's DREAM CRUISE a huge success.

We hope that your officers enjoyed the event and will be able to participate again in the future. Please do not hesitate to contact us if our motor unit can ever assist you with any event in your area.

Enclosed, as a token of our appreciation, is a group photograph of all of the motor officers who participated in the 2009 WOODWARD DREAM CRUISE.

Thank you again for your motor unit's support,
