Subject: Clawson Station Coverage November 11, 2009

Bill,

The Clawson Fire Department would like to sincerely thank you and your department for the station coverage extended to us during the funeral service for Firefighter Paul Zielesch. Knowing that your department provided coverage allowed us all to concentrate on paying one of our own a final goodbye. In addition, please extend a thank you to all the members of the Troy Fire Department who participated in the funeral service with us. That was a great tribute and is truly appreciated by the family and everyone on this department.

Sincerely,

Douglas Ballard
Chief
Clawson Fire Department
