

## MEMORANDUM

TO: Members of the Troy City Council  
FROM: Lori Grigg Bluhm, City Attorney  
DATE: March 8, 2010  
SUBJECT: Liquor Violation Hearing- Homewood Suites (Troy Hotel Property LLC/ MEI Holdings)

---

On October 28, 2009, the Troy Police Department conducted underage decoy inspections for liquor licensed establishments in the City of Troy. The team went to Homewood Suites (Troy Hotel Property LLC and MEI Holdings LLC), at 1495 W. Equity Drive, where the underage minor decoy was served a Corona beer. The person who served the beer to the minor has pled responsible to *selling alcohol to a person under 21 years of age*, and was fined \$100 on October 30, 2009. The Michigan Liquor Control Commission has scheduled this matter for March 25, 2010.

Troy Hotel Property LLC/ MEI Holdings LLC has an "on-premises" (B Hotel) liquor license, since alcohol is served to patrons for consumption on the premises. They also have a SDM license, which allows for beer and wine to be sold to persons for consumption in another location. The liquor license rules for a SDM license are different than the rules for an on-premises license, and the MLCC allows a revocation of a SDM license only where there are three or more violations in a calendar year. However, since this licensee also possesses an on-premises license, City Council has the ability to take action on the B Hotel license. Under MCL 436.1501, on premises liquor licenses are automatically renewed on a yearly basis unless the local legislative body (City Council) objects on or before March 31 of each year. A liquor license violation, such as the *sale of alcohol to a minor*, could serve as a basis for objecting to the automatic renewal of the liquor license, as the possession of an on-premises B Hotel license is a privilege. However, since the restaurant has made an investment upon the initial grant of the liquor license, each licensee is entitled to a due process hearing, to provide the licensee with the opportunity to challenge the violation. In the due process hearing, the City has the obligation to prove that there was a violation. The liquor violation hearing is scheduled in advance, with notice sent by certified mail to the restaurant.

Pursuant to discussions with attorney Sandra Cotter, it is my understanding that the licensee is not contesting that the violation occurred, and will waive the due process hearing. This fact should be confirmed by the Mayor prior to opening the hearing. If the hearing is officially waived, then I will make a brief recitation of the facts of the violation, and will also rely on the redacted police incident report and the licensee's record, which are attached to this memo and will be part of the record. After that time, City Council may have questions for the licensee or City Administration.

A resolution confirming the liquor license violation, and requiring additional training for all of the licensee employees that serve alcohol is proposed for your consideration. If City Council is concerned about the past record of the licensee, or is concerned that the licensee has not taken sufficient precautionary measures to protect against future sales of liquor to minors, then City Council can also pass a resolution objecting to the automatic renewal of the on-premises liquor license, which would be effective as of May 1 (the start of the new license year).

Please let me know if you have any questions.
