

CITY COUNCIL ACTION REPORT

March 8, 2010

TO: John Szerlag, City Manager

FROM: Mark F. Miller, Acting Assistant City Manager/Economic Development Services
Steven Vandette, City Engineer *SV*

SUBJECT: Act 51 Mileage Certification for 2009

Background:

- In accordance with the guidelines for adding and deleting streets to the annual road mileage certification for cities and villages, the following platted and non-platted streets require a resolution-accepting jurisdiction of the street from our governing body and decertification of streets no longer open to the public.

Additions:

Burns	Wattles Ridge Site Condominiums
Rothwell	Stone Haven Park Site Condominiums
Provincial	Stone Haven Park Site Condominiums
Vernmoor	Glen-Moor Estates Subdivision

Deletions:

Alger	Right of Way Vacation
Chopin	Right of Way Vacation
Eckerman	Right of Way Vacation

Financial Considerations:

- The City of Troy's allocation of Michigan Transportation Funds is based on the number of miles of road under City jurisdiction. The roads listed under additions are under control of the City, open for public purposes, and are being maintained by the City. It is important that the foregoing roads be added to the Act 51 mileage report so that transportation funds can be properly allocated to the City of Troy.

Legal Considerations:

- There are no legal considerations associated with this item.

Policy Considerations:

- Enhance the livability and safety of the community (Goal I).
- Maintain relevance of public infrastructure to meet changing public needs (Goal V).
