Dear Mayor Schilling, Troy City Council Members, Mr. John Szerlag and Members of the Press

We are members of the Thursday Daytime Friendship Club at the Troy Community Center and we love ALL of our activities. We have been a group for years before the Community Center ever opened. Our monthly Friday Frolic dance has been with us for over 20 years and usually has 100 – 125 friends each month. The Adaptive Recreation Program sends out newsletters to over 250 people with special needs and provides as many as 20 different kinds of activities for us to be in.

We know that money is short, but we are very scared and concerned. We are so afraid that we will lose our activities and chance to be with our friends. Would you please visit our program and talk with us? We would like to meet with as many of you as possible during our group on Thursdays. It meets in Room 504 at the Community Center. Please tell Carol Anderson what date and time would work for you.

Thank You

The Participants of the Thursday Friendship Club
