

CITY COUNCIL ACTION REPORT

March 23, 2010

TO: John Szerlag, City Manager

FROM: Mark F. Miller, Acting Assistant City Manager/Economic Development Services
Susan A. Leirstein, Purchasing Director
Timothy L. Richnak, Public Works Director

SUBJECT: Standard Purchasing Resolution 2: – Bid Award – Lowest Bidder Meeting Specifications
- Hauling/Disposal of Dirt and Debris

Background

- On March 11, 2010, bid proposals were electronically received for one-year requirements of Hauling and Disposal of Dirt and Debris with an option to renew for one (1) additional year.
- Ninety-two (92) vendors were notified via the MITN system with six (6) vendors responding.
- Each item on the proposal was considered as a separate bid and each item was separately evaluated.
- Total Management Services was the low bidder for hauling and disposal of catch basin sludge and street sweeping, however they were not taking the material to an approved land fill, as required in the City of Troy specifications.
- Ahern Contracting, Inc., the next lowest bidder for the catch basin sludge and street sweeping, bid a land fill that would only accept the weights from their own scales and not those of the City's. In order to verify invoices, the City utilizes the scale located at the DPW for the tonnage that is being taken out of the DPW yard. Since the City will only accept the weights from our own scale, the difference in tonnage was too great and Ahern Contracting Inc. decided to withdraw his bid for this item.

Financial Considerations

- Funds are available in the 2010-2011 Operating Budgets for the Streets and Water departments.
- The unit price for each of the hauling categories has decreased since the last time these services were bid.

Legal Considerations

- ITB-COT 10-11, Hauling/Disposal of Dirt and Debris was competitively bid as required by City Charter and Code.
- The award is contingent upon contractors' submission of proper insurance certificates and all other specified requirements.

Recommendation

- City management recommends awarding a one year contract with an option to renew for one additional year to the lowest bidder meeting specifications for all items, Bedrock Express LTD of Ortonville, MI, for an estimated total cost of \$54,220.00, at unit prices contained in the bid tabulation opened March 11, 2010 to expire March 31, 2011.
