POLICE OFFICERS M. MEINZINGER & J. STRONG
MIKE & JEFF THANKS FOR YOUR GOOD WORK ON
THIS SERIOUS PROBLEM.
Gay Meyer

Dear Chief Myer:

I am writing you to tell you what an impressive job your officers did the night of Friday, February 26th, 2010.

We had a life death situation involving a group of teenagers, one in particular, who arrived at our daughters "sweet 16" party incredibly intoxicated. Any parent will tell you this age group is a handful...let alone in big numbers. Officer Mike Meinzinger and squad handled our episode extremely professionally and were able to create complete order in the midst of utter chaos. They were polite and courteous. Because of their swift actions, a young girls life was saved that night. An entire group of high school freshman learned a valuable lesson too. Afterward, they stayed to make sure all the individuals, including us, were ok.

That kind of police work is not only a necessity, it is why people admire and respect the police department. I thank God they were there, and just wanted you to know how much they were appreciated!

Sincerely, Ann and Steve Doman (the hosts)
