MEMORANDUM

April 19, 2010

TO: John Szerlag, City Manager

FROM: Tonni L. Bartholomew, City Clerk *TB*

SUBJECT: Request to remove Agenda Item H-4 Proposed Troy City Code Ordinance Amendment to Add New Provisions Relating to Commercial Motor Carriers – Chapter 106 – Traffic

Background:

- The April 19, 2010 Agenda document contained an incorrect version of Chapter 106 – Traffic Amendment. The document included in the Council packet was the draft copy which was brought forward from the previous Agenda document. Unfortunately the document received several modifications and inadvertently was not forwarded for inclusion into the Agenda packet.
- Due to the number of amendments to the document and the length of time for the draft document to be red-lined and prepared for City Council consideration, it is requested that H-4 Proposed Troy City Code Ordinance Amendment to Add New Provisions Relating to Commercial Motor Carriers – Chapter 106 – Traffic, be pulled from the April 19, 2010 City Council Agenda and scheduled for Council consideration at the May 10, 2010 Regular City Council Meeting.
