Mr. Weslati,

Thank you for your kind words regarding Police Officer Linton. I am glad you were impressed with the service he provided. It is fortunate that your wife was not injured.

Dear Mr Mayer,

I would like to convey to you our deep appreciation for the service we have received from officer Linton (81). My wife was involved in a traffic accident on August 13 and Mr Linton was the investigating officer at the scene. He was extremely kind and courteous and handled the situation with absolute professionalism.

Best Regards

Faz Weslati.
