Subject: Council Questions on the November 15, 2010 Agenda

Good afternoon.

Council Member Maureen McGinnis had the following questions on tonight's agenda; Mr. Szerlag's answers are included:

K-02a Troy Nature Society Startup Seed Money Request

Is this item on the agenda to be discussed and voted on at a later meeting date?

Yes, it is.

Can someone please give us an update on the \$100,000 set aside on motion from Councilwoman Beltramini? Have we had anyone ask to utilize funds in the way we discussed last spring.

The \$100,000 is in Fund Balance. We have not received a request to utilize these funds.

Did we ever outline parameters for making these types of requests? Please advise.

The protocol is for requests to be submitted to the City Manager, and then to City Council for disposition.

If you have any comments or questions, please let us know.

Regards,

Mary Redden,
Administrative Assistant to the City Manager
