John K. Abraham
Traffic Engineer
City of Troy
Transportation Department
500 W. Big Beaver Rd.
Troy, MI 48084

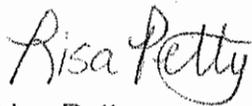

Dear John,

I would like to express the Institute's appreciation for your contribution as a committee member toward the development of the ITE Informational Report, "Benefits of Retiming Traffic Signals." This publication is now available for purchase through the ITE Bookstore at <http://www.ite.org/bookstore>.

Your service to ITE on this report was critical in preparing this document. We appreciate your input, as we believe this publication will be a great contribution to the transportation profession.

Thank you again for your efforts. Please find enclosed, a complimentary copy of this report and accompanying brochure.

Sincerely,

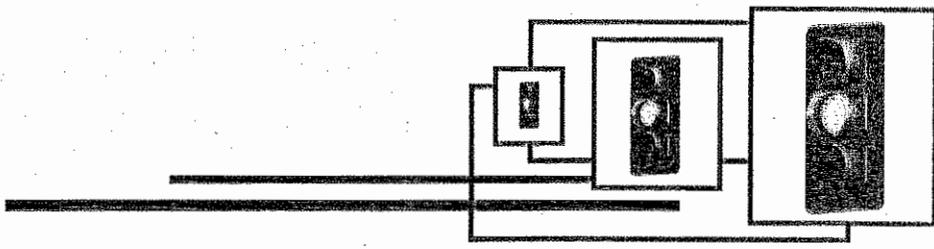

Lisa Petty
Technical Projects Associate
